Proudly Presents the Mike Weir Golf Drive for Kids.

Saskatoon, SK – The Children's Health & Hospital Foundation of Saskatchewan is very proud to announce "The Mike Weir Miracle Golf Drive for Kids" that will take place in Saskatoon on June 24, 2008. Mike Weir, Canada's own eight-time PGA winner and the 2003 Masters Champion and The Mike Weir Miracle Golf Drive for Kids awarded this major event to the Children's Health & Hospital Foundation of Saskatchewan to provide additional provincial public awareness and the opportunity to raise funds for the new Saskatchewan Children's Hospital.

"The Mike Weir Foundation was excited to work with Children's Miracle Network® in creating The Mike Weir Miracle Golf Drive for Kids. I'm really looking forward to coming to Saskatoon this summer to help raise funds for the Children's Health & Hospital Foundation of Saskatchewan," said Mike Weir. "Last summer, we launched The Mike Weir Miracle Golf Drive for Kids, and I was overwhelmed by the generosity of Canadians. I certainly knew that people recognized the importance of supporting Children's Miracle Network®, but I couldn't have dreamed of the success the program saw in its first year. I'm very thankful to the people of Saskatchewan for continuing that passion this summer. It's going to be a lot of fun, but most importantly we're going to be helping the Children's Health & Hospital Foundation of Saskatchewan continue their great work!"

"The Concorde Group is proud to be the Title Sponsor of this unique and exciting event in support of the Children's Health & Hospital Foundation of Saskatchewan. Concorde Group Corp. is committed to families and children in the communities which we serve; this is a cornerstone of the Concorde culture," states L. David Dubé, President and CEO of the Concorde Group Corp. "Concorde Group is proud to support the Foundation in their quest to build a provincial Children's Hospital. We joined the Foundation and Mike Weir to host this event because of the direct, positive and healthy impact it will have both now and for generations to come."

The Event Committee is pleased to include The Mosaic Company as the Presenting Sponsor. "Mosaic is proud to support The Children's Health & Hospital Foundation because we know that research, education and state-of-the-art equipment is so vital to building quality healthcare in this province," said Norm Beug, Sr. Vice President, Potash Operations, The Mosaic Company. "We are honoured to be able to contribute to the quality of life in a province that has given so much to us."
